

2010 Relish

GREAT FOOD FOR A GOOD CAUSE

The Rotary Club of St Kilda launched the Relish recipe book project in 2008 to great success with our first publication selling over 2,000 copies and raising over \$30,000 for the Sacred Heart Mission and ShelterBox.

For *Relish 2010* we decided to extend the project so that other Rotary Clubs could participate and raise money for charity. One of the things you quickly learn when you become a Rotarian is that there is a never-ending need of support for both our local and international community.

There are so many worthwhile causes, and this is something that Rotary handles particularly well; allowing each club to select who it will support and how. For this publication we are delighted to announce that the Rotary Clubs of Balwyn, Malvern, Melbourne South and Prahran have joined us on this exciting venture; together we aim to raise over \$75,000 for our charities.

The organisations that will be supported by the *Relish 2010* project include Cambodia Water Wells, Fare Share, Inclusion Melbourne, Prahran Mission, Reclink, Sacred Heart Mission, PolioPlus and Very Special Kids.

For more information about these organisations read the introduction on the first few pages of *Relish 2010*.
