

PRESS RELEASE

Relish the taste – announcing the launch of Relish 2010.

Relish 2010 showcases recipes from some of Melbourne's best established restaurants, hidden local gems and new kids on the block - all for a great cause.

Entries come from south-east Melbourne and include 62 local restaurants and cafes

who have all contributed a recipe to help raise money for charity. Participants include Donovans in St Kilda, David's in Prahran, Lamaro's in South Melbourne and Bistro Thierry in Malvern.

The recipe book is set to raise over \$100,000 for charities that include Sacred Heart Mission, FareShare, Inclusion Melbourne, PolioPlus, Prahran Mission, RecLink and Very Special Kids.

The Relish project is the brainchild of the Rotary Club of St Kilda; and this year is being run in partnership with the Rotary Clubs of Prahran, Melbourne South, Malvern and Balwyn.

Relish 2010 will be launched on Monday 26th October at award winning function centre, Red Scooter.

Denis Moriarty from Our Community will launch Relish and Cameron Smith from RRR radio show Eat It! will preside over the launch as MC.

Relish 2010 will make an ideal Christmas gift for anyone passionate about food and who believes in supporting their local community.

Relish 2010 will retail for \$15.00 and purchases can be made through the website www.relishrecipes.com.au, from many of the participating restaurants & cafes, and selected book stores.
